Each year, CCA awards significant scholarships to the majority of its families, so that all families who desire a Christian education for their children may have it.

This year, CCA awarded \$75,000 in scholarships to 75% of its students. The average scholarship award was about \$3,500, an amount that represents more than half of the full tuition price of \$6,000. Instead of waiting until the money is raised, we award the scholarship and allow the child to attend school while we try to raise the funds. For the three years of our existence, God has honored this act of faith and provided all that is needed to operate so that dozens of children could have an ex-

cellent Christian education that they otherwise couldn't have afforded.

This year, we are trying to raise more money than we have ever raised before to take care of the needs of our growing student population. **To help us, members of**

**our Board of Directors and school community have put together a matching gift of \$8,500! To receive those funds, we need to raise at least the same amount as the match by Christmas.** Would you consider helping us with a gift today for our scholarship program? ## A Diverse Family Looking for a Diverse School

Margaret was looking for a school for her daughter when she ran into Pastor Eileen Lehmann from Word of Faith Church who recommended that she find out more about Community Christian Academy. After talking with Kimberly Moore, Executive Director, Margaret decided to have Elyiana visit the school. Very soon after the visit, Margaret enrolled Elyiana for both the academic and summer programs.

"CCA is a Christ-centered school with a diverse atmosphere. We are a diverse family, and CCA is diverse. CCA operates with a spirit of excellence and high biblical and family values. The safety and security that CCA provides is very important to us, and we value the dedication of the staff. Additionally, Elyiana has been challenged academically. I highly en-

courage other families to consider CCA for their children. Thank you, CCA, for a job well done with Elyiana!"

## Mission Statement:

Community Christian Academy exists to glorify God by preparing students, well-grounded in knowledge and faith, for successful lives. Seeking to reflect the diversity of the body of Christ, Community Christian Academy partners with families and other Christian organizations to promote transformation within our community. The school's goal is to develop critically-thinking students who will engage the culture by living lives that demonstrate scholarship, servant-leadership, and devotion to Christ and to mankind.

*- New Parent to CCA*

## Tired of Turkey? Want to Support CCA?

Missing in the picture above are four additional children who started school after the school year had begun. For varying reasons, their parents didn't feel that public school was the right fit for them, and we were delighted to have the opportunity to support these families.

As has been the case all year, 75% of these new children needed scholarship awards to make CCA a feasible choice for their families. Therefore, we are on the move to raise

the needed funds to fully fund each child in our school with scholarship needs.

One way that you can help is by going to Chipotle on Tuesday, December 9 between 4:00 and 8:00 p.m. and telling the cashier that you are there to support CCA. Then 50% of the money you spend will be given to CCA as a donation to its scholarship program. Last year was the first year we tried this event, and we raised \$300. We are expecting more participation this year, and because of our matching gift Christmas

campaign, those funds could be doubled! Supporting the Chipotle fundraiser is an easy and delicious way to ensure that all children who want it can have an excellent, affordable Christian education.
